

## **Privium Fund Management B.V.**

**Job title:** Compliance Officer / Legal Counsel  
**Period:** permanent role for 2-3 days a week  
**Reason:** team expansion  
**Office location:** Amsterdam

### **About Privium:**

Privium Fund Management B.V. ("Privium") is an independent, international, regulated and rapidly growing investment management boutique. Privium is licensed to manage Alternative Investment Funds (AIF's), such as long only equity funds, sustainable/impact funds, fund of funds and direct loans.

The funds are offered to investors such as (the clients of) private banks, family offices, wealth managers, insurance companies.

Privium has relationships with a number of Investment Advisors and portfolio management teams to access high value portfolio management expertise.

Privium has contracted several top tier service providers, including external legal counsel, auditors, administrators, AIFMD depositaries, custodians/prime brokers, compliance advisors and others to support its business activities and service to our investors.

### **The role:**

As In-house Compliance Officer and Legal Counsel you will be providing support, advice and guidance, both internal and external. You will be a linking pin between the front office, investors and service providers. The goal is to ensure that both Privium as an AIFM and the funds it manages are compliant in a changing regulatory environment. Tasks include:

- Liaising with the Company's directors to arrange compliance and legal reviews;
- Participating in compliance reviews and instigating appropriate follow-up actions;
- Coordinate and participate in the interaction with external compliance and legal counsels;
- Assisting with the launching of new funds, to establish appropriate compliance set-up;
- Updating the compliance handbook and writing procedures;
- Write and review contracts.

### **The following attributes are considered desirable for this role:**

- Having worked in a compliance related role;
- The ideal candidate will have worked for a legal firm supporting AFM regulated clients or having worked for an AFM regulated firm for at least 4 years.
- Experience with providing external and internal compliance training.
- Experience with writing and reviewing contracts.

### **What we offer:**

- Being part of an international, diverse and motivated team.
- Working for a fast growing company (FD Gazelle award in 2016 & 2017).
- Competitive salary in combination with a proper work-life balance.
- Centrally located office, in the middle of the Amsterdam business district (Zuidas).
- Working with top tier service providers, investors and business partners.
